

Fragile shipments...

To serve his customers BBT regularly arranges oversea shipments as we are well equipped, experienced and can put the right persons on the right spot.

Koen, our workshop man, takes care of loading and unloading fragile loads as cars for an example.

This time he had a special mission to arrange save container loading, securing and lashing on these 2 extreme Dannenhauer & Stauss and a real Westy Wolfsburg trailer for their overseas trip to the West coast of California.

Dannenhauer rare...? BBT ships them by the pair.... try to beat that!
