

# BBT transport anything.... as long as its Vw related at least.

Yesterday I was on duty myself. sorry for not replying emails, will go today trough all of them...

Transport from a Dannenhauer unt Stauss from Germany to our premises for a trusty customer and good friend from California. Part one of the job is so far so good, but the restoration will take just a little bit longer.

Lurkin in its "old nest" .....

loaded up ready to go.....

Thirsty Audi needed some fuel “down the road”... a whole day of road fun... some times not too bad...
