

# BBT Travel report; Bob needs a new jet lag... urgently

After more than two years I set off to California... will Blog my whereabouts when and where I can... for all of you to enjoy...:)

KLM flies me everywhere, this time to San Francisco ... don't worry, I don't wear flowers in my hair!

Bye bye rainy weather, welcome sun, San Francisco here I come!

Californian dreamin'

From the plane...

Arriving with clear skies is always good!

Golden Gate bridge looked beautiful as ever!

## San Francisco...

after landing and immigration I picked up my car and drove to my first adventure,  
over the San Mateo bridge...

more to come later in the week...:) stay tuned....:)
